From the Desk of the President

Merry Christmas and a Happy New Year to all.

I trust that you all had a nice Christmas and will have a prosperous and healthy New Year. With the New Year coming so is our January shows. I wish all the best. I am looking forward to seeing every one at our specialty and Sweeps. Its never too late to add to the trophy fund should you have the desire. Jim Omodio and Connie Adams are always willing to accept money. If you have something for the Auction or raffle contact Dave Yeager. He is getting some really great items. The presentation on reproduction should be very informative. Should you have a friend from

another breed that wants to come we will have a limited number of tickets available. We always need help in setting up. Hope to see you all there.

Minutes of the General Meeting Kerry Blue Terrier Club of Central Florida

Brevard Kennel Club
Central Florida Fairgrounds
Orlando, Florida
Sunday, December 17th, 2006

President Walter Bates called the meeting to order at 9:15 am. There were 13 club members present. Walter remarked more than one acquaintance of his had commented on the fact that our Club is a very cordial group and seem to be very supportive of each other.

Secretary Conni Adams read the minutes of the November meeting. A motion was made and passed to accept the minutes with the correction of Bridget Booth's name (Booth, not Booker).

Treasurer Jim Omodio read the current financial report and a motion was made and passed to accept the report.

Committee Reports –

Rescue – Judy Agnew had no rescues to report. Anthony Lopez informed the membership that Lisa Frankland is the new rescue coordinator for the national club. The national club's policies are being reviewed.

Hospitality – Anthony asked for an approximate number of meals to order for the luncheon. It was agreed that 65 was what was ordered last year and should be okay again this year, if entries are of similar numbers.

Membership – Reatha Omodio read an application from Bridget Booth. Since Bridget had been trying to join the Club for some time, it was decided to vote on her application. She was voted into the Club. Reatha will send her a membership list and the Constitution and By-Laws. Anthony will add her to the newsletter list and publish her information in the next newsletter.

Historian Nancy Westbrook sent the records she had collected back to the Club. Judy Agnew volunteered for

the position and will try to organize the records into an album.

Newsletter – Anthony will publish another newsletter with the schedule of events for the Specialty. He would like input from members for how to make the newsletter better. He reminded members that ad space was available.

Website – Conni will send a card to Bill MacLeod thanking him for his work on the website.

Show Report – Joan Lambert volunteered to purchase gift cards for the judges' gifts. Linda Lopez made room reservations for the speakers. Linda will make a flyer about the seminar to be passed around at the shows. We will sell 50 seats at \$5.00 which will be donated to the University of Florida. Reatha has the exhibitor gifts. Dave Yeager needs raffle items. Conni has received funds to cover most of the trophy cost. She will send an ad to MB-F tomorrow listing the donors. Carol Postley suggested a sign at ringside letting everyone know where the luncheon was and how to get there. Members are asked to bring a 12 pack of whatever they usually drink to provide drinks. Members with the Club pop-ups should bring them. The tents will be put up and arranged on Friday afternoon. See Linda Lopez to volunteer to set-up or take down the tents or to rearrange the hospitality tent for the lecture. The schedule will be as follows: Sweepstakes, Specialty, Luncheon, Auction & Raffle, Meeting, Terrier Group and Lecture at 5:00 pm.

Nominating Committee – The Slate of Officers was published in the newsletter. Nominations from the floor will be taken at the January meeting.

New Business – AKC has approved Kerry Blues for Herding as of January 1st, 2007. The Club thanks Dave Yeager for his hard work on the application to AKC. Carol Postley will try to arrange a private training session for Kerries with someone she knows in Ocala. There is an AHA Herding Trial sponsored by the Bearded Collie group the last weekend of January.

The next meeting will be held in Brooksville on Saturday, January 20th.

The meeting was adjourned at 10:30 pm.

Auction/Raffle Chair makes Request for Donations

David Yeager Chairman of the Auction & Raffle for the Kerry Blue Terrier Club of Central Florida 2007 Specialty in January is asking the membership to please look around and see if you have some items that you are willing to donate to the club for either the Auction or the Raffle. Right now it looks like the Auction/Raffle is very thin. Not very many items have been donated and this is one of the principle sources of income for our club. Specialty club such as ours don't have very many sources of income and we depend on our Auction and Raffle at our annual Specialty to provide some of the much needed operating income. So....PLEASE take some time to try to find or purchase something that we can put into either the Auction (larger more expensive items) or the Raffle (less expensive items). The dollar raffle has been the big money maker for our club but we need the items.

Dog Show Barbie

This is a column that will appear for a short time. I thought you would get a kick out of this.

TRACKING JUDGE BARBIE

Barbie comes with a Polartec snowsuit, Gore-Tex rain gear and boots, wool socks, leather tracking gloves, silk long underwear, sunscreen, bug spray, a baseball cap, a waterproof clipboard, mylar paper and space pens in three colors. She also comes with whistles in two different colors to match the snowsuit and rain gear, a complete set of tracking flags, a compass, and a set of 12 different tracking articles. Unlike most Barbies, this Barbie always has a "bad hair day" so it's best to leave a hood or the baseball cap over her hair at all times. Included in the deluxe version is Barbie's tracking dog "Pokealong's Can't Find Squat TD", or "Sniffer", a Siberian Husky who comes with his own harness and rope as well as a lifetime supply of hot dogs. Sniffer has been known to eat start articles with one gulp and turn the start flag into a large toy at TDX tests, grabbing it in his mouth and running in large circles around the field (especially when there is a large audience watching). This version also comes with a case of Valium for Tracking Judge Barbie for this very reason. This is the most expensive Barbie and most collectors prefer to leave her in the original box.
