## KERRY ON NEWS

A publication of the Kerry Blue Terrier Club of Central Florida

### From the Desk of the President

I hope this newsletter find everyone well and dry.

I want to Congratulate Judi Agnew on her Best In Show, well done.

It is so great to see our club member and their dogs getting involved in events other than conformation. Check out the Brags and see how our Kerries are herding.

If you have not already filled out the email notification form please take a few minutes to do so. We must have your permission to notify you of meetings via email per the AKC. The newsletter is so much nicer in color and the savings to the

club is appreciated.

As of the June meeting we will be half way to the Specialty. Planning is coming along but we can use every club members input. Please consider what you can do to help. We will also be working on our herding activity. This is a great activity.

See you in June  
Linda

# VICTORY!

MAY 2, 2009

**WE WIN!**

**(This Time)**

**Zero Anti-Dog Bills Pass!**

**H\$U\$ Wasted All of Its  
Money!**

The ugly, anti-dog, anti-breeder session of the Florida legislature is over!

Our voices counted! We flooded the legislators' mail boxes! We flooded their telephone lines! We flooded their email in-boxes! We showed up at their hearings! And we would not leave those hearings when the pro-H\$U\$ legislators tried to fool us!

Now we know who these anti-dog legislators are, who say one thing to us and then do the opposite. And next session, we will be ready for them again – in spades!

Here is the list of dead bills:  
[HB 1249](#) & [SB 2002](#), [SB 288](#),  
[HB 189](#) & [SB 922](#), [SB 992](#), [HB 451](#).

Watch this space for future plans, including seminars on how the Florida legislature really works. We need to be better prepared for the next session, because these bills will be back.

## DELEGATE'S REPORT

Carl C. Ashby  
Delegate  
United States Kerry Blue Terrier Club  
336.292.9060 ext 0  
carlashby@att.net

Dear USKBTC Member....

Below is an announcement of great significance from The American Kennel Club. This program has been under development for 3.5 years and has been affirmed by the delegates in September, 2008 and March, 2009 "sense of the body" votes. A second email contains the guidelines for the program. I will be happy to answer any questions or contact AKC directly at [mixedbreeds@akc.org](mailto:mixedbreeds@akc.org).

For the past one hundred twenty five years, the American Kennel Club has been the nation's premier advocate for dogs and the people who love them. Today, we are delighted to tell you that AKC can now act even more broadly and effectively as the dog's champion. Our Board of Directors has voted unanimously to proceed with a program for mixed breed dogs. The creation of this program ushers in new opportunities for our constituencies, our clubs and our organization to grow and flourish in many ways. Our goal in including mixed breeds in a specially designed system is to bring benefits to all those who share our passion for dogs and our sport. Companion clubs will see opportunities to increase entries, attract new members and educate more people. AKC will broaden its legislative influence by representing more dog owners and achieve greater exposure for our responsible dog ownership messaging. Ultimately, the positive developments that this program creates will benefit dogs the most, and this is what we value above all. Please take a moment to review the attached document which outlines the structure and details of the program contact AKC directly at [mixedbreeds@akc.org](mailto:mixedbreeds@akc.org). Your participation in this process has been invaluable, and we thank you and your members for playing an important role in this great accomplishment. Now, more than ever, we are the dog's champion. Yours truly,  
Ronald H. Menaker  
Dennis B. Sprung

### News from the State Capitols

The U.S. Congress and 34 state legislatures are currently in session. Sixteen states have adjourned their regular sessions. Through the quarter ending March 31, the AKC Government Relations (GR) Department addressed approximately 750 state and local-level issues, a volume far exceeding that of any other first quarter in the department's history. To date, the Government Relations Department has tracked almost 800 state bills. Over 100 onerous breeder regulation/oversight bills have been introduced.

For more information on any of the measures mentioned, contact us at (919) 816-3720 or [doglaw@akc.org](mailto:doglaw@akc.org).

The AKC is pleased to offer this service as a reference tool, but recognizes that numerous bills are being introduced nationwide. We still rely on local expertise to notify us of new legislation. If you hear of a bill we should add to the list, please contact us at (919) 816-3720 or [doglaw@akc.org](mailto:doglaw@akc.org).
